

2005 Langtry Cabernet Sauvignon

Tephra Ridge Vineyard, Lake County

The Langtry Estate Cabernet Sauvignon is selected from the best lots grown in our acclaimed Tephra Ridge Vineyard. Its high elevation creates wines with intense aromas, structure and longevity. In the glass, this wine is dark and inky, with aromas of cassis, blackberry, mint and spice. On the palate the wine is full-bodied, complex and rich with firm, ripe tannins and a long, smoky finish. Serve the Tephra Ridge Cabernet Sauvignon with grilled prime-grade steaks, rack of lamb and rich, meaty stews.
